

SPEAKER'S BUREAU

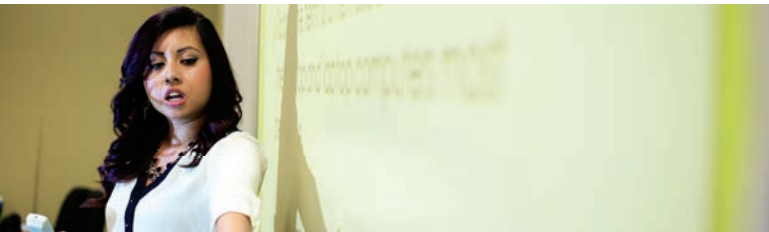

Land of Lincoln Goodwill Industries, Inc.

Land of Lincoln Goodwill Industries serves thousands of individuals throughout central Illinois with job training support, youth mentoring programs, vocational training for those with intellectual disabilities and, of course, more than a dozen retail stores and donations centers.

Since 1938 we've been giving people a hand-up and teaching the value of work and giving back to our local communities.

We have quite a story to tell and would love sharing it with your group or organization. As a retailer, a non-profit, an employer of more than 400 people, and a provider to those with disabilities, we have multiple areas of expertise and experience. Our professionals are available to speak to your organization on any of these subjects or just the Goodwill Mission overall, and we'll do it for free. Just call our administrative office and ask to speak to our Vice President of Marketing and Communications to set up a speaker for your next event or meeting.
